### **Course Description**

By taking this course students will gain  
first-hand experience and a better  
understanding of Qatar - the richest  
country in the World. Currently as you  
travel, one understands the growing  
economic interdependence among  
countries as reflected in the increasing  
cross-border flows of goods and  
services, capital, know-how and people.  
In this interdependent world, it is  
therefore, appropriate to understand  
how Qatar has influence on and is  
impacted by the phenomenon of oil  
wealth, construction, media,  
immigration and globalization in the  
midst of Islamic culture.
