It is required that you apply for the practicum by end of September (for Spring) or early February (for Fall) please confirm all dates.

To be considered for an International Student teaching, you must:

- 1) Meet all requirements (coursework, GPA, and MTELs) for student teaching and apply to your department – note that different departments have different deadlines for applications – ***deadlines are critical!***
- 2) Complete and bring (or email) this application to Dr. MacMillan (219 Hart Hall).
- 3) Complete the ***official*** online application with the Office of Study Abroad.

Applications will be reviewed by the College of Education and Health Sciences and a limited number of candidates will be offered the opportunity to participate in this experience.

Please send any questions or concerns and this completed form back to Dr. Robert MacMillan at
