If you want to teach in Ecuador - this is your chance!

Location

Quito is the capital city of Ecuador, located in north-central Ecuador on the eastern slopes of Pichincha, a stratovolcano in the Andes. The elevation in the city's central square is 2,800 metres, or 9,200 feet, making Quito the second-highest capital city in the world. The central square is located 16 miles south of the equator.

Colegio Menor is located in Cumbaya, a suburb of Quito to the east of the central square. It is at a lower altitude than Quito (2,200 metres or 7,200 feet), giving it a warmer climate than Quito. Cumbaya is also home to Universidad San Francisco de Quito, (USFQ), the first private and nondenominational university in Ecuador. BSU has an exchange partnership with USFQ.

Ecuador uses the US dollar as its currency.

NOTE :

All costs and dates may be subject to change by BSU CEAS and Office of Study Abroad.

Visa Requirements

No visa is required for stays less than 90 days. Student teachers only need to have a US passport, valid for at least six months beyond their date of departure from Ecuador.

Meals

Breakfast and dinner is provided to student teachers through their host family. Lunches are purchased separately, either at Colegio Menor or at nearby restaurants.
